Beth-El Center Newsletter

Spring 2017

April 23-29th is National Volunteer Week

This newsletter issue is dedicated to the hundreds of volunteers, past and present, without whom Beth-El Center could not operate. On a daily basis, dozens of volunteers show up at Beth-El Center to support our mission to alleviate homelessness and hunger in the Milford area.

Thank you to all the volunteers who offer their time, talents and resources to help in our community. Your generous contribution makes a difference in the lives of our shelter and soup kitchen clients and gives much-needed assistance to our staff. If you haven't volunteered at the Center, I encourage you to give it a try.

"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has."

Margaret Mead
